This item is printed on demand - Print on Demand Titel. - Essay from the year 2009 in the subject Social Studies (General), printed single-sided, grade: 1,7, Massey University, New Zealand (-), course: Animal and Human Societies, language: English, abstract: EssayToday, owning a pet is a widespread phenomenon. At the same time, humans have diverse reasons for keeping pets. The following essay is about companion animals and it consists of three parts. At first I will illustrate the benefits and drawbacks for both the human owners and the companion animals themselves. The second part will be about state regulation of pet ownership. It will be discussed, if more or less regulation is desirable or not. Thirdly, I will elaborate on the question whether the world would be a better place if the practice of keeping animals as pets was outlawed. The main goal of my essay will be to have a closer look at the human-pet relationship nowadays. However, I will make some remarks on the keeping of animals in a historical context at first. In different cultures all over the world, keeping pets has been a common phenomenon in the history of mankind. James Serpell (1989) found that in Australia the Aborigines kept dingoes, wallabies, possums, bandicoots, rats, cassowaries or even frogs as pets, in Southeast Asia indigenous groups kept dogs, cats, pigs, monkeys and various birds. The Indians of North America kept deer, moose, bison, raccoons, wolves, dogs, bears, turkeys, hawks, crows and a variety of other small wild mammals and birds. In general, one can see that so-called 'indigenous' peoples have always kept animals actively. For example, the Brazilian Kalapalo Indians were interested in taming their animals. The relationship to their pets can be defined as filiative or like that...
