A story with a message and never a dull moment. 17-year-old Frankie Vincente was sent back to the ninth grade due to an accident that affected his brain function. But in spite of his disabilities he never gave up. A likeable kid with a big heart, he lived with his family on their 100-acre grape orchard in central California. His sister Anna was an attractive 22-year-old who gave Frankie a ride to Walnut Street School in her red convertible classic Mustang every Friday. When Calvin, a mean school bully, saw Frankie being driven to school by his hot sister, he became furiously jealous. He and his cronies wouldn t stop bullying Frankie, until Katie, who they called Red Headed Kate, saved the day on Christmas morning. Some would think that Katie had a crush on Frankie, but she would never tell. Thanks...
