Brand New Book ***** Print on Demand *****.Excerpt from The Final Report of the Worldwide Unitary Taxation Working Group: Chairman s Report and Supplemental Views Dear Mr. President: I am today transmitting the Final Report of the Worldwide Unitary Taxation Working Group. It consists of the Chairman s Report I transmitted to you on July 31, together with a Supplement containing separate additional views of individual Working Group members. Despite some remaining disagreements, which are spelled out in the Supplement, state, business, and federal representatives appear to be in basic agreement on the three Principles described in the Chairman s Report: Principle One: Water s edge unitary combination for both U.S. and foreign-based companies. Principle Two: Increased federal administrative assistance and cooperation with the states to promote full taxpayer disclosure and accountability. Principle Three: Competitive balance for U.S. multinationals, foreign multinationals, and purely domestic businesses. As indicated in my letter of July 31, 1984, transmitting Chairman s Report to you, state and business representatives were unable to reach agreement on the proper state tax treatment of foreign-source dividends and of U.S.-based corporations operating primarily abroad (so-called 80/20 corporations). These issues are being left for resolution at the state level. It is important to recognize that the Final Report of the Working Group provides no more than the basic structure for resolving the perplexing issues in this area; it is not intended to set forth specific and comprehensive guidelines for legislation. The Working Group intends, however, that when individual states address the unitary issue, they will follow the recommended principles contained in developing specific legislative measures.
