For centuries your land has been at peace, but now Gull has emerged from the Iron Mines with an army. You have to take dragon form to defend your people; first from goblin riders on 3-headed wolves, then from barbarian clansmen riding taurogriffs, then grey knights riding scorpion-tailed manticores - and finally from Gull himself and his elite guard mounted on rocs, the most powerful flying creatures in existence! In this adventure if you become trapped you can return to the Sacred Grove in human form to begin your battle again!.
