Brand New Book ***** Print on Demand *****.What does it mean to be human? According to the Bible, it means we are incredibly made, we are incredibly loved, and we have an incredible future through the plans and purposes of God. In *Incredibly Human*, ordained minister D. A. Combs explores what the Bible teaches Christians about creation, the fall, and the ultimate hope of redemption to which they are called. Combs leads readers through an exploration of the First Creation as outlined in the early chapters of the book of Genesis and looks at how a biblical understanding of three time periods of the First Creation, Fallen Creation, and New Creation folds into the hope of God's beautiful and sovereign plan to restore his creation. Incorporating topics vitally relevant to the church today, Combs tackles the issues of community, headship, gender relationships, and equality folding them into a biblical understanding of human purposes within the framework of God's plan for his creation. Since this study draws deeply from the Bible, Combs also teaches readers how to study scripture. Though the content mines the word of God, Combs' language is both accessible and wholly engaging. Furthermore, the book includes stunning illustrations to jump start readers' minds, hearts, and imaginations.
