## ***Reviews***

*It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## OAK

[DOWNLOAD](#)

Reaktion Books. Hardback. Book Condition: new. BRAND NEW, Oak, Peter Young, The reputation of the oak is based not on superlatives but on personality. In human terms, it is not a celebrity, but a reliable citizen. Its enduring legacy is evident in place- and surnames, in landmarks and buildings and as a sturdy staple of engineering material. More than any other tree, the oak has been a symbol of strength and durability. Venerated in pagan societies, elements of its worship were absorbed by other religions: Celtic mythology, for example, where it is believed to be a gateway between worlds; or Norse, where it is sacred to Thor, god of thunder, as the tree most often struck by lightning. The oak has been adopted by many countries as a national symbol, particularly in western Europe and the United States. Several individual oaks are of great historical importance, such as the Royal Oak within which King Charles II of England hid to escape the Roundheads, and the Charter Oak in Hartford, Connecticut, which became a symbol of American independence. In Oak, Peter Young illuminates and examines this magnificent and ubiquitous tree, tracing its biological history in its many manifestations, natural and cultural. Much-loved internationally, the oak is to be found in works of art, folktales, poems and songs. Oak narrates the biography of the tree that since time immemorial has been a symbol of loyalty and strength, generosity and renewal.
