MyPsychLab should only be purchased when required by an instructor. For courses in Lifespan Development which take a chronological approach Help students understand how culture impacts development -- and why it matters Human Development: A Cultural Approach, Second Edition leads students to examine all stages of development through the engaging lens of culture. The first author to take a wholly cultural approach to human development, Jeffrey Arnett integrates cross-cultural examples throughout the narrative to reveal the impact of cultural factors both in the US and around the world. Arnett s emphasis on culture fosters a thorough, balanced view of development that prepares students to face challenges in our diverse and globalized world -- whether they travel the globe or remain in their hometowns. Also available with MyPsychLab(R) This title is also available with...
