An extremely wonderful pdf with perfect and lucid information. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MY HEART SKIPS A BEAT: A LONDON ICE ROSES ANTHOLOGY

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.My Heart Skips a Beat is a refreshing, colourful and memorable collection of 19 contemporary poems, inspired by the singer, Lenka, and influenced by a whole host of musicians. Princess Kay's first published poetry book is written from the heart and comes with the tagline, Life's full of surprises: you either LOVE or HATE em! . And she has taken her unique observations of daily life, relationships, intimacy, tragedy and happiness, and all the surprises they bring, and transformed them into contemporary poems which will move you, make you laugh, perhaps cry and cause you to stop for a while and reflect. Flawlessly depicted, these dynamic and emotional poems tackle everything from friendship, fun, shopping and music to move the more profound and rousing subjects of complex relationships, bullying and domestic abuse. Each poem is written from a warts-and-all perspective, and delves deep into the human psyche. With a strong psychological element linking each of the poems together, this is a poetry book that will tap deep into your soul and evoke an abundance of vibrant images.
