This item is printed on demand - Print on Demand Neuware - Essay from the year 2014 in the subject Politics - International Politics - Region: Other States, grade: A, Universität Tirana (Albanian Institute of Political Studies), language: English, comment: Because the new political elites came from the old political elites as a product of the following or their political behavior and its tools in achieving the goals were almost identical. Need for public consumption and dignified international presentation imposed to political elite a formal correct behavior in relation to the slogans of European integration and commitment, the need for votes and power within the country imposed to the same political elite incorrect political behavior, contrary to Western standards and practices. , abstract: During the last two decades leading Albanian political actors have developed political activity based on two parallel indicator: western formal models and marketing electoral programs, as well as eastern oriental model in the way they have designed and developed policy, elections, internal democracy and public discourse.
