

## The Mystery of Death: Navigating the Great Divide

By Tal Brooke

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Mystery of Death-which is probably the greatest mystery since the dawn of time-has been allegedly solved through modern scientific breakthroughs reported in a host of books, starting with the 1970s bestseller, Life After Life. Near-death-experiences are described in mind-boggling detail by those who have come back. Their images of the afterlife are as wild and enigmatic as anything seen in the top special effects movies but consistent with the world's oldest mystery religions. Digitally enhanced films have recreated scenes of the deathplane, offering compelling images of beings-of-light, disembodied spirits, souls awaiting rebirth, astral planes, the Akashic Records, psychic contacts, non-human entities, astral travel and channeling. An ongoing array of accounts continue to elaborate on the afterlife in books, movies and television. But is this paradigm of the afterlife what really happens at death? Or are these experiences a spiritual cocktail for a modern age that has been adrift and perplexed? Is it a symptom of a culture that has lost its spiritual roots and is desperate to explore what turns out to be some of the...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
