Alaska Governor Sarah Palin's nomination as vice presidential candidate by John McCain not only changed the landscape of the current election, but also marked a shift in leadership style across our country. Exploring themes from her career in politics, her life as a hockey mom, and her strongly held Christian Faith, this book explores the leadership principles that made Palin successful. Editorial Reviews From the Back Cover Our present era demands a new style of leadership that transcends political affiliation and party lines. Exploring themes from her career in politics, her life as a hockey mom, and her strongly held Christian faith, author Joe Hilley's biographical leadership study of Sarah Palin explores the leadership principles that have catapulted her into the national spotlight and explains how she models a fresh paradigm of leadership that will guide our nation through the 21st century. About the Author Author Joe Hilley holds a Bachelor of Arts from Asbury College, a Master of Divinity from Asbury Theological Seminary and a Doctor of Jurisprudence from Cumberland School of Law, Samford University.
