New Directions Publishing Corporation, United States, 1980. Paperback. Book Condition: New. 201 x 130 mm. Language: English . Brand New Book. The Real Work is the second volume of Gary Snyder's prose to be published by New Directions. Where his earlier *Earth House Hold* (1969) heralded the tribalism of the coming revolution, the interviews in *The Real Work* focus on the living out of that process in a particular place and time the Sierra Nevada foothills of Northern California in the 1970s. The talks and interviews collected here range over fifteen years (1964-79) and encompass styles as different as those of the Berkeley Bar and *The New York Quarterly*. A poetics of process characterizes these exchanges, but in the words of editor Mclean, their chief attraction is good, plain talk with a man who has a lively and very subtle mind and a wide range of experience and knowledge.
